**MEMORANDUM**

**PD-311**

**TO:** Honorable Chairman and Members of the Planning & Zoning Commission

**FROM:** Jerry Greif, Chief Planner

**SUBJECT:** CPAM-06-01 Transportation Maps

Due to delays, it is no longer practical to process these amendments on the current comprehensive plan amendment cycle. Staff recommends the Planning & Zoning Commission discontinue consideration of the amendments at this time.

The amendments will be rescheduled on the next cycle which would bring the amendments back before the P&Z Commission about December 2006. In the meantime Staff will continue to provide information to the public and invite input from all interested parties.
