### AUTHORIZATION FOR REMOVAL OF RESIDENTIAL IRRIGATION METER

Dear Customer,

You must be the property owner to complete this form. This information will be verified by the property appraiser's website prior to a work order being issued. Hernando County Utilities will require a Photo Identification or State ID card along with this completed form.

I, \_\_\_\_\_ hereby authorize Hernando County Utilities to remove the irrigation meter at the following address,

\_\_\_\_\_. I understand that it is my responsibility for rerouting the irrigation lines to my potable (house) meter and installing a proper backflow prevention assembly. Irrigation lines not being used must be capped off. I further understand that once the meter is removed it can never be replaced per ordinance.
